Venture® TableMIC **SKU: 999-85909-000**

Optional accessory for extending Venture VideoBAR's microphone coverage.

Key Features:

- Six-element array head provides 360° coverage with a radius of up to 12 feet
- Simple connection with a single category cable
- Daisy-chain up to three microphones together for expanded coverage
- Universal mute button and status light

For larger or uniquely shaped rooms, the Venture TableMIC offers extended microphone coverage and an easy-to-reach mute button, making it the perfect companion to the Venture VideoBAR when its built-in mic array doesn't cover the full seating area. Its six-element array head offers 360° coverage with a pickup radius of up to 12 feet, ensuring every participant is heard clearly.
Setting up the Venture TableMIC is a breeze. Simply connect it to the Venture VideoBAR with a single category cable, and you're all set. You can even daisy-chain up to three TableMICs for complete audio coverage in all types of spaces like U-shaped conference tables or spacious boardrooms.
Easily control all Venture microphones in the room with the universal mute button, which illuminates to indicate its power or mute status. By expanding the audio reach of the Venture VideoBAR, the Venture TableMIC ensures clear and consistent sound quality, making it an ideal accessory for larger or uniquely shaped meeting spaces.

This Package Includes:

- Venture TableMIC
- 9.8 ft (3 m) flat category cable, black
- Quick-start card
