

# LEDDY FREE FOR NEC-E012I-108

A touch of Scandinavia

Giving your LED display a smart furniture feel

SMS Leddy is a flexible product that can easily adapt to new configurations and all-in-one LED display solutions. These pre-configured stands are designed to fit many of displays from the leading LED manufacturers.

**SMS Leddy Free for NEC-E012i-108** is the elegant freestanding version, looking good also from the back thanks to the discrete back cover.

As an accessory, choose an elegant Scandinavian design with a wooden frame that makes it easy to integrate the product with the surrounding environment and leg inserts with wooden finish to get that high end furniture touch and feel. Find more info on the [accessory page](#).
